Entirely Free from Catarrh of the Stomach

"Peruna has positively done for me what many doctors failed to do. I have been time and again compelled to take to my bed for days. The first bottle of Peruna gave relief and while I always keep it in the house for emergency, I consider myself entirely free from catarrh of the stomach, the trouble from which I suffered for so long before taking this remedy."

The curious event sometimes produced in telegrams by want of punctuation or the omission of a single small word cannot fail to have struck everyone. A London lawyer had a female relative in the North from whom he had "expectations." She had been ailing for some weeks, when one morning came a telegram asking the lawyer's wife to go at once, as she—his aunt—was much worse. His wife accordingly went.

During the evening of the following day the husband received this disconcerting announcement: "Aunt Matilda went to heaven at 3:30 returning by 11:50 tomorrow morning."

**RHETT COMMENT ON APPRAISAL BOARD**

**SAYS FINDINGS OF VALUE OF LANDS NEAR CHARLESTON IS A GRIEVOUS WRONG.**

**THE CASE WILL GO TO COURT.**

Property Mainly in Question Has Approximately Eight Thousand Feet Frontage on the Water.

Charleston.—R. G. Rhett, commenting upon the finding of the government appraisal board, headed by Col. R. W. Dinges, as reported in a dispatch from Washington, as to values of certain lands at North Charleston requisitioned by the government, and over which there is a marked difference between option prices and prices awarded by the board, said:

"The fact is the price fixed by Colonel Dinges is a grievous wrong to the owners of the property, and more than that, it is a grievous wrong not only to the people of Charleston but to the people of the whole state, whose chief seaport he disparaged and belittled."

Mr. Rhett went on to say that the matter would be settled in the courts. The land in question mainly is about 1,000 acres belonging to a farm corporation and nearly 8,000 feet of water frontage (some 433 acres) belonging to the Fibre Company.

Mr. Rhett points out that the appraisal board considered the value of the land at what it was apparently worth several years ago, before many millions of dollars were expended through the efforts of the North Charleston interests to develop this area into an important industrial, commercial and residential enterprise.

Charleston.—A letter has been received from Secretary Tumulty acknowledging the invitation of the city council of Charleston to President Wilson to visit this city on his tour of the country in the interests of the league of nations, and stating that the invitation would be borne in mind.

**Couldn't Work**

**S. W. Bishop Was Laid Up By Kidney Trouble. Now Owes Good Health to Doan's.**

"I owe my present good health, largely to Doan's Kidney Pills," says S. W. Bishop, 5192 Kensington Ave., St. Louis, Mo. "I wasn't able to work. Sharp pains would catch me when I stooped or tried to lift anything, and at night the kidney secretions passed frequently and were scanty and painful. Specks seemed to be before my eyes and I would get dizzy. There was a puffiness under my eyes. I could see myself falling from day to day and I finally was laid up from June until September. I got Doan's Kidney Pills and used them. I received relief with the first box and became stronger every day. I could sleep well at night and the kidney secretions were now of natural color. The dizziness and other troubles disappeared and I picked up in weight. After I had used four boxes of Doan's Kidney Pills I looked and felt like my old self. The doctor seemed a miracle and I firmly believe that my life was saved by this remedy."

**CO-OPERATIVE PLAN PLEASES**

Laurens County Agent Relates an Instance of Benefits Derived From New Plan of Marketing.

Clemson College.—Recently Laurens county shipped a carload of hogs co-operatively for farmers. The county agent and the animal husbandry men of the extension service helped the farmers with the shipment, and now M. D. Moore, county agent, in a recent report gives an instance of the effect of this co-operative marketing on farmers.

"One of these men shipped hogs in our first carload shipment, April 7. Recently he said: 'Moore, when you asked me to ship hogs in April I had fully made up my mind to stop growing hogs for market, for I was tired of begging local butchers to buy my hogs, often at a sacrifice; but I find this carload plan of selling hogs is what we need and I've changed my mind and shall grow all the hogs I can.'"

Charleston.—About 50 young men from this state, of whom a score are from Charleston, have gone to the wheat fields of Kansas to work this summer.

Washington.—Information was made public at the war department here showing that the Forty-eighth Regiment will not be removed from Camp Jackson.

Word was received in Columbia of the death in Colleton county of J. M. Ackerman, treasurer elect. Mr. Ackerman was elected last summer and was to have taken over the office July 1. Because of illness, R. E. Jones continued the office.

Anderson.—James J. Baldwin, architect, has been commissioned by a board of Candler county, Georgia, to prepare plans and specifications for a new fire-proof court house. This is the third Georgia court house which Mr. Baldwin has secured in the past six weeks.

Orangeburg.—Probably the first business trip made by a South Carolina commercial traveler by aeroplane was made by Charles Moore of the Carolina-Portland Cement Company of Charleston, when he reached Orangeburg about 10 o'clock to call upon a builders' supply house.

Camden.—Jim Sheora, the white man who was shot in a raid upon an illicit distillery, seven miles east of Camden, in which F. E. Bateman, state constable was mortally wounded, came to Camden and surrendered to Sheriff Welsh after spending the night in hiding in a swamp.

Laurens.—Hastings Dial, a son of Dr. W. H. Dial, and a nephew of Senator N. B. Dial, left Laurens for Washington to report for assignment in the United States marine service as cargo inspector for the government. His rank will be that of lieutenant commander and his duties will take him to all parts of the world.

Columbia.—Stamp sales for the first half year of 1919 amounted to \$173,751.66 at the Columbia postoffice which is a decrease of \$57,012.59 for the same period of 1918. This falling off in the sale of stamps is largely due to the reduction in the personnel of Camp Jackson and many war workers leaving the city.

Newberry.—The eighth session of the Lutheran summer school for church workers has been conducted at Newberry College during the week with greater interest than has been manifested at any former meeting. The enrollment was the largest in the history of the school. Fifty-eight congregations were represented with a total enrollment of 258.

Spartanburg.—The ten-day strike of the street railway employees of the South Carolina Light & Power Company reached the stage of violence here, when C. C. Crouch, a motor-man, who had not joined the strikers, was taken from his car and badly beaten by parties as yet unknown to the authorities.

Live Stock Center.

Dillon.—A representative audience of business men gathered in the auditorium of the court house to hear an address by George R. Wheeler, manager of the South Carolina Land Owners' Association.

During his talk the speaker stated that South Carolina will in the course of time become the center of the live stock industry of the United States and pointed out certain steps necessary for the land owners, bankers and business men to take to hasten the day.

Up in the Air.

Anderson.—Six Andersonians were given a thrill when Lieut. Jesse Simpson took them up in the aeroplane. Those to whom this privilege was granted by the government were G. Pierce Brown, Jr., representing The Daily Mail; Paul Browne, The State; Mrs. C. McC. Patrick, the Greenville Daily News; and Miss Margaret Olds, Spartanburg Herald. Each passenger was given a spin of 30 minutes in the air, and these 30 minutes were crowded with visions never seen before, and were full of thrilling sights.

Daughters Kill Father.

Florence.—Brutality of an almost inconceivable nature marked the killing of Sylbert Myers, a respected negro farmer, by his two daughters, Lillian and Rebecca, aged 16 and 18.

Using an axe as a weapon the two girls struck their father on the back of his head while he was seated at the table eating his supper. After hiding the body the girls returned to the house, dressed in their Sunday clothes and went to an ice cream shop just a few hundred yards from the spot where the body lay.

**THE "BLUES" Caused by Acid-Stomach**

Millions of people who worry, are depressed, have spells of mental depression, blue and are often melancholy, believe these conditions are due to outside influences over which they have little or no control. Nearly always, however, they can be traced to an internal source—acid-stomach. No matter how wonderful the remedy, beginning with such well defined symptoms as indigestion, belching, heartburn, flatulence, etc., will, if not checked, in time attain to some degree or other all the vital organs. The nervous system becomes deranged. Digestion suffers. The blood is impoverished. Health and strength are undermined. The victim of acid-stomach, although he may not know the cause of his ailments, feels his hope, courage, ambition and energy slipping. And truly life is dark—not worth much to the man or woman who has acid-stomach.

Get rid of it! Don't let acid-stomach hold you back, wreck your health, make your days miserable, make you a victim of the "blues" and gloomy thoughts! There is a marvelous modern remedy called **EATONIC** that brings, oh! such quick relief from your stomach misery—your stomach to rights, makes it strong, cool, sweet and comfortable. Helps you get back your strength, vigor, vitality, enthusiasm and good cheer. So many thousands upon thousands of sufferers have used **EATONIC** with such marvellously helpful results that we are sure you will feel the same way if you will just give it a trial. Get a little box of **EATONIC**—the good tasting tablets that you eat like a bit of candy—from your druggist today. He will return your money if results are not even more than you expect.
